Restoration Hair Journey

IN SALON USAGE

CØR.restore PART 1 - LIQUID

Added to Colour or Lightener mix

- Contains 11 amino acids that protect and nourish hair structure
- Works to relink disulphide bonds broken during colouring or lightening
- Helps maintain hair strength and integrity throughout chemical services

* AminoChain Technology™ powers Part 1

IN SALON CUSTOMER TALK

- Works inside your colour/lightener to protect your hair while it processes
- Reduces breakage/ damage from colour services
- Strengthens your hair, increases shine
- Protects your colour for longer

IN SALON USAGE

CØR.restore PART 2 – BALM

Post Colour Treatment, After Part 1

- Uses 11 amino acids to repair damaged keratin proteins
- Continues repairing after the chemical service
- Plumps and strengthens the hair, protecting both damaged and healthy keratin

* AminoChain Technology™ powers Part 2

IN SALON CUSTOMER TALK

- Deep repair treatment applied after your colour service
- Restores strength and elasticity to your hair
- Leaves your hair feeling soft, plump, and protected
- Ensures your colour looks great while keeping your hair in top condition

IN SALON USAGE

CØR.restore COLOUR LOCK MILK

A leave-in spray that locks in your salon colour

- Contains chromaGard™ - (pomegranate + soybean blend) to **seal in colour and prevent fading**
- Strengthens and improves overall hair condition with protein-based complex.
- Adds shine and gloss with Sweet Orange Peel Oil - Hydrates and nourishes with Panthenol
- How to: Spray evenly over damp hair, comb through, style as usual
- pH balanced leave-in treatment - (pH 3.8 – 4.2)
- Pro Tip : Use prior to a toning or gloss service to help equalise the porosity of the hair and give it slip to avoid any snags when blending through root shadows

Ginger Fresh Scent

AT HOME USAGE

- A lightweight leave-in spray that locks in your salon colour
- Protects against fading and keeps colour vibrant
- Strengthens, detangles, smooths, and nourishes your hair
- Easy to use: just spray on damp hair and style
- Free From SLES/SLS, Parabens, MIT, Phthalates, Triclosan, Gluten, Propylene Glycol
- PETA Certified, Vegan and Cruelty Free
- Ideal for all hair type including fine hair.

WHAT IS **chromaGard™**

chromaGard™ powers COLOUR LOCK MILK

It is a cutting-edge technology designed to keep your hair colour vibrant while protecting it from damage

How it works:

Liposome Technology: Uses **soybean + pomegranate** extracts to create a lightweight, protective, water-resistant layer.

Deep Penetration: Micro-particles strengthen hair and guard colour from the inside out.

3× Stronger Antioxidant Power:

- Reduces **colour fading** by 50%
- Reduces **colour loss** by 25%
- Keeps hair looking fresh and on-tone longer

Transforms hair care routine: Ultimate defence for coloured hair, any snags when blending through root shadows.

KEY INGREDIENTS:

chromaGard™ – colour protection, anti-fading

Sweet orange peel oil – adds shine and gloss

Hydrolysed vegetable protein – strengthens and rebuilds

Panthenol (pro-vitamin B5) – hydrates, nourishes and detangles

IN SALON USAGE

CØR.restore LEAVE-IN TREATMENT

A leave-in treatment that repairs and protects the hair

- Contains chromaGard™ + AminoChain Technology™
– (pomegranate + soybean blend +
11 essential amino acids) to **protect, repair and
strengthen coloured hair**

WHAT IS AminoChain Technology™

AminoChain Technology™ powers LEAVE-IN TREATMENT

A revolutionary system designed to repair and protect the structural integrity of hair

How it works:

Hair is made up of 19 amino acids and, this advanced formula leverages the power of **11 essential amino acids** which are the fundamental building blocks of keratin, the protein that forms the structural foundation of hair.

WHAT IS chromaGard™

chromaGard™ powers LEAVE-IN TREATMENT

It is a cutting-edge technology designed to keep your hair colour vibrant while protecting it from damage.

How it works:

Liposome Technology: Uses **soybean + pomegranate** extracts to create a lightweight, protective, water-resistant layer.

Deep Penetration: Micro-particles strengthen hair and guard colour from the inside out.

3× Stronger Antioxidant Power:

- Reduces **colour fading** by **50%**
- Reduces **colour loss** by **25%**
- Keeps hair looking fresh and on-tone longer

KEY INGREDIENTS:

chromaGard™ – colour protection, anti-fading

Sweet orange peel oil – adds shine and gloss

Amino Acid Complex – repairs and strengthens

Shea Butter – hydrates and nourishes

A close-up photograph of two women's heads and shoulders from behind. They have long, straight, blonde hair that is styled into a single, thick braid. The women are facing each other, and their heads are tilted slightly towards the center. The background is a plain, light grey.
